"Old Post Office"

This house, located in Ste. Genevieve, Missouri, was built in 1818 by Dr. Herriot Elliot, an old settler in this section of the country.

It was considered a very modern building.

Later, it was in this house that the first Post Office in Ste. Genevieve was established.

The property now belongs to Eugene Staton.

This is a two story rectangular building with ell. Stone foundation. Gable roof. Wood cornice.
